In addition, GMX Board Members, employees and consultants are required to adhere to the ethical guidelines enumerated in §348.0305, Fla. Stat. as the same may be amended from time to time.

Pursuant to §112.326, Florida Statutes, the governing body of any agency may impose upon its own officers and employees additional or more stringent standards of conduct and disclosure requirements than those specified in the Florida Ethics Code.

The GMX Code of Ethics (the “GMX Ethics Code”) set forth below shall supersede all prior ethics codes of the former and now dissolved Miami Dade Expressway Authority. While all applicable provisions of the Florida Ethics Code and the Greater Miami Expressway Agency Act of 2023 (Florida Statutes) shall continue to apply to GMX Board Members, Employees, and Consultants, the GMX Ethics Code shall also apply to these respective parties as detailed below. The GMX Ethics Code includes certain provisions that shall specifically apply to former GMX Board Members, employees and to GMX consultants under contract. In the event of conflict between the provisions of the GMX Ethics Code, the Florida Ethics Code or the Greater Miami Expressway Agency Act of 2023, the more restrictive provisions shall control.

Definitions.

All terms used in the GMX Ethics Code are defined in the Florida Ethics Code, and used with the meanings ascribed to them in the Florida Ethics Code unless otherwise stated.

“Lobbyist” shall have the meaning ascribed to it in the GMX Lobbyist Registration Policy, except where otherwise stated.

“Consultants” shall mean any person or company, regardless of the nature of the services being provided, that is contracted by GMX to provide professional and/or construction services.

Ineligible for GMX Board Membership.

- (1) Pursuant to §348.0305(1)(b), Florida Statutes, a “Lobbyist” as defined in the Florida Ethics Code, §112.3215, Florida Statutes, may not serve as an GMX Board Member; and
- (2) Pursuant to § 348.0305, Fla. Stat. GMX employees and consultants are prohibited from serving on the Board while employed by or under contract with GMX.

In accordance with the Florida Ethics Code in §112.3143 (3)(a), Fla. Stat., a GMX Board Member is a local public officer and is prohibited from voting on any matter presented at any GMX business meeting, which:

- (1) would inure to the Board Member a “special private gain or loss” (actual knowledge is not required); or
- (2) if the Board Member knows that the vote would inure a “special private gain or loss” to any of the Board Member’s principal(s) by whom retained, business associates or relatives (collectively, the “Covered Parties”).

Disclosure Requirements for Voting Conflicts.

- (1) The GMX Executive Secretary shall ensure that the agenda for each meeting includes a list of persons and business entities that will be considered as part of the discussions at such meeting. The absence of a particular person or business entity from any such list shall not excuse in any way Board Members’ obligations to disclose conflicts of interest, in accordance with the Florida Ethics Code or the GMX Ethics Code.
- (2) Prior to consideration of any substantive matters at each GMX meeting, GMX shall provide Board Members the opportunity to publicly disclose any existing or potential conflicts of interest. It shall be the responsibility of late-arriving Board Members to publicly disclose any existing or potential conflicts of interest with respect to the particular matters before the Board during a meeting in which the Board Member arrived after the opportunity for such disclosures was provided.

If a Board Member has a voting conflict, as defined by the Florida Ethics Code and/or the GMX Ethics Code, the Board Member shall:

1. Abstain from voting on that matter;
2. Disclose the nature of the Board Member's interest in the matter from which the Board Member is abstaining to the Board on the record; and
3. File a Voter Conflict Memorandum ("Form 8A") which must provide the specific nature and details that creates the conflict and identify all affected Covered Parties.

In the event the conflict of interest disclosure is not made prior to the meeting or that the conflict is unknown prior to the meeting, the disclosure shall be made orally by the affected Board Member at the meeting when it becomes known that a conflict exists. The Board Member shall file the Form 8A document with the Board Secretary within 15-days after the oral disclosure, which shall also be incorporated into the minutes for that meeting.

Board Member Participation After Disclosure of Voting Conflict.

Once a Board Member has disclosed a conflict of interest with respect to a matter, that Board Member may participate in any Board discussion of the matter in which they have disclosed a conflict, if:

- (1) Prior to participating in the discussion, the Board Member completes and submits to the Board Secretary a Form 8A; or
- (2) The "conflicted" Board Member orally discloses the conflict at the meeting and files a Form 8A with the Board Secretary within 15-days after the discussion during which the conflict was disclosed.

If a Board Member declares a conflict of interest with respect to a matter and participates in the meeting discussion regarding that same matter, the Board Secretary shall:

- (1) Incorporate the disclosure of the conflict into the minutes of that meeting;
- (2) Provide the other Board Members with copies of the submitted Form 8A; and
- (3) Read the Form 8A publically at the next public meeting following the meeting at which the "conflicted" Board Member participated.

Contractual relationships between a GMX subcontractor and its subcontractors shall not be subject to the restrictions of this provision.

Misuse of Public Position.

No GMX Board Member or employee shall, directly or indirectly or through any third party, use or attempt to use his or her GMX position or any property or resource that may be within his or her trust, or perform his or her official duties, to secure a special privilege, benefit, or exemption for himself, herself, or others.
