Instructions to report exceptions:

For the monthly certification, list the following:

1. QC samples that did not compare with VT samples and had VT results upheld by RT samples.
2. Any samples that had Engineering Analysis Report or Delineation Test(s) performed.
3. Any failed QC samples.
4. Any QC samples that do not have results entered into GMX Material Tracking System.
5. Any QC samples that were performed by unqualified technicians or laboratories.
6. Any materials placed without an approved QC Plan or when the QC Plan is suspended.
7. Any materials provided from an unapproved producer or supplier.

The following **would not be listed as an exception on the subject form:**

1. QC samples that have been tested but not verified.
2. QC samples that have been tested and had verification test results that did not compare.

When exceptions listed on the monthly have been resolved, provide the proper documentation for those items.

For the final certification, all unresolved issues to QC sampling and testing must be shown on the certification.
