MDX Unveils Bike Path Adjacent to SR 836/Dolphin Expressway
Named in honor of Kitty Roedel, former Board Member and Community Activist

Miami, FL (December 6, 2007) – The Miami-Dade Expressway Authority will dedicate a two-mile bike path in West Dade on Saturday, December 8, 2007 at 10 a.m. Stretching from N.W. 87th to N.W. 107th avenue alongside SR 836/Dolphin Expressway, this is the first bicycle facility within a limited access right-of-way in South Florida. Named after former MDX Board Member Kitty Roedel, who served from 1995-2005, the path is an acknowledgement of her leadership in incorporating greenways in transportation improvement projects.

The bike path is part of an extensive beautification project along the western portion of SR 836 through to 137th Avenue that will include native plantings, a wide array of palm trees, flowering trees and shrubs.

About MDX

MDX is a state sanctioned, locally administered, public agency created in 1994 by the State of Florida and the Board of County Commissioners of Miami-Dade County. MDX is governed by its Board, comprised of 13 volunteer members appointed by the Board of County Commissioners and the Governor of the State of Florida. MDX oversees, operates and maintains five expressways: State Road 836 (the Dolphin Expressway), State Road 112 (the Airport Expressway), State Road 874 (Don Shula Expressway), State Road 878 (Snapper Creek Expressway), and State Road 924 (Gratigny Parkway).

MDX is funded almost entirely by toll revenues and is dedicated to the enhancement of mobility in Miami-Dade County. MDX is also committed to bringing more efficient, market-driven, user-friendly management to its expressways.
