9:00 AM**

The Greater Miami Expressway Agency held a public meeting on Thursday, August 14, 2025. The following were present:

Board Members Present:

- Daniel Iglesias, P.E.
- Edward Pidermann, Board Member
- Stanley Rigaud, Board Member
- Richard Blanco, Board Member (Secretary)
- Mariana “Marili” Cancio, Board Member (Treasurer)
- Rodolfo Pages, Board Member (Vice Chair)
- Fatima Perez, Board Member (Chair)

Staff:

- Rafael S. Garcia, Interim Executive Director/CEO
- Claudio Diaferia, Chief Operating Officer
- Sandra Bridgeman, Director of Administration, Budget, Finance & Accounting/CFO
- Maria Luisa Navia Lobo, Board/Executive Secretary

Contracted Legal Counsel:

- Jason Gonzalez, Lawson Huck Gonzalez

CALL TO ORDER

The meeting was called to order at 9:02 a.m. by Chair Perez

PLEDGE OF ALLEGIANCE

Board Member Pages led Members in the Pledge of Allegiance.

ROLL CALL

Board Secretary Navia Lobo called the roll and announced that a quorum of the GMX Board was present.

APPROVAL OF THE AGENDA

Chair Perez asked Member and staff if there are any corrections or additions to the agenda.

Vice Chair Pages moved to table Item B on the Regular Agenda - *GMX Procurement/Contract No. RFQ 25-06 - Environmental Site Assessment Services for Kendall Parkway Segments 1 and 2, GMX Work Program No. 83618-001 (Not to Exceed \$700,000.00) - Approval of the Technical Evaluation Committee's (TEC) recommendation to select and enter into a Contract with the highest-ranked Proposer, H2O Environmental Services, LLC.*

The rationale was that the Board has not yet fully discussed or examined the Kendall Parkway project in sufficient depth. Vice Chair Pages expressed concern about allocating additional public funds for studies

before the Board develops a position. It was further noted that the two newly appointed Board members were currently absent. The motion included scheduling workshops over the next few months to allow for thorough review and discussion prior to reconsideration. Board member Pidermann seconded the motion. The motion was unanimously approved.

DECLARATION OF VOTING CONFLICTS

No conflicts were declared

Chair Perez reminded the public of the Lobbyist Registration Policy and emphasized the importance of transparency and ethical governance. She noted that all individuals, firms, or entities engaging in lobbying activities with GMX, whether in person, virtually, or in writing, must be properly registered before initiating any lobbying contact. This requirement applies to any communication intended to influence a decision of the Board, management, or staff on matters such as procurement contracts, legislation, or policy. Chair Perez further advised that the full policy, registration requirements, and forms are available on the GMX website.

PUBLIC COMMENT PERIOD

Mr. David Weston- 10411 SW 123 Street, Miami FL - addressed the Board regarding the efforts to improve driver safety through VMS signage on the GMX System.

APPROVAL OF PRIOR MEETING MINUTES

- Board Meeting of June 9, 2025

Board Member Pidermann moved to approve the summary minutes of June 9, 2025, Governing Board Meeting. Board Member Rigaud seconded the motion. The motion was unanimously approved.

CONSENT AGENDA

- A) GMX Work Program No. 83618-001, SR 836 SW Extension / Kendall Parkway
- B) Approval of Resolution No. 25-10 accepting title to real property previously acquired by the Miami-Dade County Expressway Authority for Project 83618.
- C) GMX Work Program No. 83628-000, SR 836 Operational, Capacity and Interchange Improvements
 - Approval of Resolution No. 25-11 accepting title to real property previously acquired by the Miami-Dade County Expressway Authority for Project 83628.
- D) GMX Work Program No. 87404, SR 874 / Killian Parkway Interchange
 - Approval of Resolution No. 25-12 accepting title to real property previously acquired by the Miami-Dade County Expressway Authority for Project No. 87404.

E) Approval of Amended Investment Policy

F) Approval of Amended GMX Resolution No. 0210-2025 – Removal of Restriction of Interim Executive Director’s Eligibility for Permanent Appointment

Mr. Gonzalez, GMX General Counsel, read the Consent agenda items on the record.

Vice Chair Pages moved to approve the Consent Agenda. Board Member Pidermann seconded the motion. The Consent Agenda was unanimously approved.

REGULAR AGENDA

A) GMX Procurement/Contract No. ITB 25-01 - Systemwide Dynamic Message Signs (DMS) Catwalk Replacement, GMX Work Program No. 40060-003 (\$854,953.00)

- Approval of Contract Award to the Lowest Responsible and Responsive Bidder, SICE, Inc.

Mr. Garcia read the item into the record and informed the Members the item is the contract award to the lowest bidder, CSA Inc, in connection with GMX procurement contract number ITB, 2501, for a system wide dynamic message, sign, catwalk replacement. The bid amount is \$854,000 953. He added that GMX issued the Invitation to Bid on May 5, 2025, seeking qualified contractors for the project.

Mr. Diaferia emphasized the importance of the project, explaining that it involves the replacement of the catwalk system used by GMX staff to access and service Dynamic Message Signs (DMS). The existing catwalks were installed over the years and reflect either 2010 or 2015 standards. The new system will bring all catwalks up to the latest safety standards, providing wider platforms, improved worker tie-off capability, and protection to prevent tools or equipment from falling into live traffic. He noted that three bids were received. The lowest bidder confirmed they will complete the work for the bid amount, which is approximately 15% below the engineer’s estimate.

Board Member Pidermann moved to approve the contract award to CSA, Inc. under GMX Procurement Contract No. ITB-2501. Treasurer Cancio seconded the motion. The motion was unanimously approved.

B) GMX Procurement/Contract No. RFQ 25-06 - Environmental Site Assessment Services for Kendall Parkway Segments 1 and 2, GMX Work Program No. 83618-001 (Not to Exceed \$700,000.00)

- Approval of the Technical Evaluation Committee’s (TEC) recommendation to select and enter into a Contract with the highest-ranked Proposer, H2O Environmental Services, LLC.

The Item was tabled

C) GMX Procurement/Contract No. RFP 25-06 - Financial Advisory Services

- Approval of the Technical Evaluation Committee’s (TEC) recommendation to select the highest-ranked Proposer, PFM Financial Advisors, LLC

Mr. Garcia read the item into the record and informed the Members of the Technical Evaluation Committee’s recommendation to select the highest-ranked proposer, PFM Financial Advisors LLC. for financial advisory services under GMX Procurement Contract No. RFP-25-06. He noted that on June 19, 2025, GMX issued the RFP seeking proposals from qualified consultants to provide a range of financial advisory services. The selected firm will be responsible for delivering these services as outlined in the scope of work. He asked Ms. Bridgeman to provide further details regarding the item. Ms. Bridgeman

informed Members that only two proposals were received from the 300 financial advisory services firms contacted, both of which were strong. After the TEC evaluation, PFM Financial Advisors LLC was selected due to their extensive tolling industry experience, connections with CFX and THEA, and ability to provide the resources GMX needs to execute its master plans. The scoring among the three evaluators was very close, but PFM was deemed the best fit for the agency's current requirements.

Vice Chair Pages recommended engaging with PFM Financial Advisors regarding the appropriate fees. It would be beneficial to revisit the matter together, with the goal of arriving at a fair and mutually reasonable rate.

Vice Chair Pages moved to approve the contract award. Treasurer Cancio seconded the motion. The motion was unanimously approved.

INTERIM EXECUTIVE DIRECTOR'S REPORT

Mr. Garcia presented the GMX Operational Update, he reported GMX continues to operate smoothly, with all core functions performing reliably and without interruption. This strong performance directly supports our strategic goal of delivering safe, dependable, and efficient mobility for the communities we serve in South Florida.

The GMX team remains focused on monitoring traffic flow, roadway safety, incident response times, and overall system efficiency. Preventive maintenance is a continuing priority, and technology is being leveraged to monitor roadways in real time, enabling proactive interventions before issues escalate. This consistent operational performance enhances the traveling public's experience while also strengthening the agency's reputation with stakeholders, bond rating agencies, and regional partners.

Looking forward, GMX will continue to use data-driven decision-making to guide operations and improvements, ensuring the system meets current needs and is well-positioned for future demands. In line with our mission, we remain committed to delivering world-class expressway services that enhance mobility, safety, and economic vitality for Greater Miami.

Follow-Up from Prior Meeting

The \$8.2 million reimbursement from Miami-Dade County has been received and deposited. In addition, as the Board is aware, there is \$5 million connected with the sale of excess parcels to the Miami-Dade Aviation Department. That transaction is moving forward, and we will continue to keep you updated as it progresses.

Vacancies

Mr. Garcia introduced Mr. Andres Berisiartu, GMX Chief Engineer. Andres will officially join GMX next week. He currently serves with FDOT District Six under Secretary Iglesias. Andres will report directly to our Chief Operations Officer, Claudio Diaferia.

Additionally, Mr. Garcia informed Members that the MRP scores, which have been a topic of discussion, have significantly improved since he joined as interim. GMX has achieved a score of 93.

Mr. Diaferia reported that the MRP score increased from 83 to 93, reflecting a 10-point improvement and representing one of the highest scores the Agency has achieved in at least the past decade. He congratulated all involved, emphasizing that the accomplishment was the result of a collective team effort. He further noted that the new maintenance manager has implemented significant improvements, and that the introduction of new initiatives and enhanced training programs has produced measurable results. He concluded by informing Members of this progress, noting that it reflects a key metric reported to the Florida Transportation Commission and will be included in the Agency's meeting next week.

Mr. Diaferia provided an update on the Miami Freedom Park project, including the calibration of the traffic model and the upcoming meeting to discuss the pedestrian bridge.

Treasurer Cancio expressed concerns regarding the traffic impacts on SR 836 and the proposed pedestrian bridge, noting that the pedestrian bridge has not previously been presented to the Board for consideration.

Secretary Iglesias informed Members that they are working with the Miami Freedom Park team on a model that accurately reflects existing conditions. Once existing conditions have been calibrated and determined trips generated by the stadium and related development, we will know the impacts and can begin discussing mitigation strategies. This is the next key milestone with MFP and the stakeholder agencies, as it will define what improvements the development team must provide, both in the interim and at full build-out phase.

INFORMATIONAL ITEMS – No Board Action Required

- Procurement Report

Financial Report

Ms. Bridgeman presented the financial report, which was distributed to all members at the meeting.

Mr. Garcia reported that Fitch ratings upgrading GMX to an A- .

[The financial report is filed with the Board Secretary]

Vice Chair Pages emphasized the importance of completing the parcel closings with Miami-Dade Aviation in accordance with traditional closing escrow procedures, noting that the transaction should not proceed unless the \$5 million is secured.

Vice Chair Pages stated, regarding the Kendall Parkway project and in connection with his earlier motion to table Item VIII.B, that the Governing Board needs to take a position on whether to move forward with the project or not. He emphasized that the matter should be addressed sooner rather than continually postponed. He requested that, at the Chair's discretion, a schedule be set within the next couple of months for a workshop on the Kendall Parkway.

Vice Chair Pages informed Members that he asked General Counsel to review the Agency's Land Acquisition Policy to ensure it aligns with State law and properly identifies the beneficial owners of properties acquired.

CALL TO ORDER

The meeting was called to order at 9:02 a.m. by Chair Perez

PLEDGE OF ALLEGIANCE

Board Member Pages led Members in the Pledge of Allegiance.

ROLL CALL

Board Secretary Navia Lobo called the roll and announced that a quorum of the GMX Board was present.

APPROVAL OF THE AGENDA

Chair Perez suggests a correction for Item B, proposing to retitle it to "Authorized Contract Negotiation" and delegate authority to the board chair for initiating and finalizing contract negotiations with the selected candidate.

PUBLIC COMMENT PERIOD

No public comment.

REGULAR AGENDA

A) Approval of the Executive Director Candidate for Commencement of Contract Negotiation

Chair Perez stated that several months ago, GMX initiated and carried out a nationwide search for a new Executive Director.

**GREATER MIAMI EXPRESSWAY AGENCY (GMX)
MINUTES OF SPECIAL BOARD MEETING
MONDAY, SEPTEMBER 15, 2025**

She explained that the process was conducted under the direction and supervision of the appointed Executive Search Committee and has been ongoing for several months. Chair Perez noted that the Board has now reached the final stage of the process. She acknowledged the work of Vice Chair Pages, who served as Chair of the Executive Search Committee, in leading the effort to carefully narrow down the list of applicants to those deemed most qualified for the position. Chair Perez then turned the discussion over to Vice Chair Pages and Board Legal Counsel, Paul Huck, to guide the Board through the final selection of GMX's new Executive Director.

Vice Chair Pages stated that the executive search process has been underway for approximately four to five months. He noted that the search began with over 1,000 candidates, which was narrowed down to 10, then to 5, and now to the final selection. He expressed his satisfaction with how thoroughly the HR team and staff managed the process, emphasizing that the search was comprehensive.

He further explained that each Board member had the opportunity to meet individually and at length with the three final candidates. With that stage completed, the Board is now ready to proceed with the final vote to select the new Executive Director. He also noted that ballots have been included in the Board package for this purpose.

Mr. Huck informed the Board that the ballots would first be tallied by the HR Manager. Following that, Board Members Peterman and Rigaud would cast their votes orally on the record. Board Members Peterman and Rigaud cast their oral votes in favor of Mr. Claudio Diaferia.

Chair Perez then announced the final selection of the Executive Director, stating that Mr. Rafael Garcia has been selected by the Board as the new Executive Director.

B) Delegate authority to the Board or Executive Search Committee for Commencement of Contract Negotiation

Chair Perez read the amended agenda item, "Authorized Contract Negotiation," which proposed delegating authority to the Board Chair to initiate and finalize contract negotiations with the selected candidate.

Vice Chair Pages moved to delegate authority to the Board Chair to initiate and finalize contract negotiations with Mr. Rafael Garcia. Board Member Blanco seconded the motion, which was unanimously approved.

EXECUTIVE DIRECTOR'S EMPLOYMENT AGREEMENT

REQUESTED ACTION:

MOTION TO APPROVE:

Ratify Executive Director's Employment Agreement

SUMMARY EXPLANATION AND BACKGROUND:

Pursuant to section 348.0304(4)(b), Florida Statutes, the law requires that, "In the hiring of an executive director of the agency, the governing body of the agency shall conduct a nationwide search in order to identify the most qualified candidate."

- On April 10, 2025 – The Governing Board approved the Executive Director search, the Search Committee and its members, the Executive Director job description, and authorization to conduct an in-house search. The job was posted from April 10, 2025, through July 8, 2025.
- July 10, 2025 – All applications and credentials of candidates who met the minimum qualifications were forwarded to the Search Committee for evaluation. Each member was required to review the submissions and select their top ten candidates based on the approved established criteria.
- July 25, 2025 – The Search Committee selected four finalists and directed Human Resources to distribute an Executive Director Questionnaire to each member. Three of the four candidates responded and completed the questionnaire.
- August 18, 2025 – September 12, 2025 – Individual interviews were conducted between the three finalists and the Board Members during that time.
- September 15, 2025 – At the Special meeting, the Board delegated authority to the Chair of the Board to negotiate and execute the Contract.
- September 15, 2025, through September 19, 2025 – The contract met legal sufficiency; it was negotiated and fully executed by September 19, 2025.

EXECUTIVE DIRECTOR'S EMPLOYMENT AGREEMENT

MANNER IN WHICH REQUESTED ACTION ADVANCES GMX STRATEGIC GOALS:

The appointment of a stable, permanent Executive Director marks a pivotal advancement in the agency's strategic direction. It ensures leadership continuity and institutional stability, while actively strengthening the agency's governance framework and enhancing its capacity for transparent, accountable decision-making.

FISCAL IMPACT:

Executive Salary is included in the Budget

**GMX PROJECT/SERVICE TITLE: DESIGN-BUILD SERVICES FOR SR 836, SR 874,
AND SR 924 DYNAMIC MESSAGE SIGN (DMS) INSTALLATION**
(\$6,137,374.00)

REQUESTED ACTION:

MOTION TO APPROVE:

- Technical Evaluation Committee's (TEC) recommendation to select and enter into a Contract with the highest-ranked Proposer, SICE, Inc.

SUMMARY EXPLANATION AND BACKGROUND:

On June 13, 2025, GMX released a Request for Proposals (RFP), RFP-25-03, seeking Proposals from qualified firms to provide Design-Build Services for SR 836, SR 874, and SR 924 Dynamic Message Sign (DMS) Installation. The scope of work includes the design and installation of new Dynamic Message Signs on these three (3) corridors.

On August 8, 2025, four (4) Technical Proposals were received in response to the RFP from the following Proposers:

1. Horsepower Electric, Inc.
2. Rtech Engineering, LLC
3. SICE, Inc.
4. TransCore ITS, LLC

Staff performed a compliance/responsiveness review of all Technical Proposals and found all Technical Proposals to be responsive and compliant with the requirements of the solicitation documents.

Subsequently, on September 11, 2025, Price Proposals were received from the Proposers listed above.

The Technical Evaluation Committee (TEC) met on September 15, 2025, to finalize the evaluation and score the Technical Proposals. Additionally, during the same meeting, the Price Proposals were opened. As outlined in the RFP, rankings were determined based on the highest Final Scores, which were calculated by combining the Technical Scores and the Price Proposal Scores using the following formula:

Final Score (FS) = (TS x 40%) + (PPS x 60%)

GMX PROCUREMENT/CONTRACT NO.: RFP-25-03
GMX WORK PROGRAM NO.: 40060-002.030
GMX PROJECT/SERVICE TITLE: DESIGN-BUILD SERVICES FOR SR 836, SR 874,
AND SR 924 DYNAMIC MESSAGE SIGN (DMS) INSTALLATION

The final rankings are shown in the table below:

PROPOSER	RANKING
Horsepower Electric, Inc.	4
Rtech Engineering, LLC	2
SICE, Inc.	1
TransCore ITS, LLC	3

Staff conducted a compliance review of the Price Proposals and found them to be in compliance. In addition, a Price Proposal analysis was performed by the General Engineering Consultant (GEC) for all Proposers. The analysis concluded that the Price Proposal for SICE, Inc., in the amount of \$6,137,374.00, is reasonable and 23.4% below the Engineer's Estimate of \$8,009,047.00.

The analysis also identified several Pay Items that were significantly below the Engineer's Estimate. In response, staff requested and received written acknowledgment from SICE, Inc., confirming that the Pay Items listed in the Price Proposal Sheet represent full compensation for the work associated with each independent Pay Item.

The TEC forwarded a recommendation to endorse the selection to the Board. Based on the meeting results, GMX intends to select and enter into a Contract with the highest-ranked Proposer SICE, Inc., in the amount of \$6,137,374.00.

The Term of the Contract shall be for eight hundred (800) Calendar Days from the Notice to Proceed.

SMALL AND LOCAL BUSINESS PARTICIPATION:

There is a ten percent (10%) Small Business Participation Requirement for this Contract. There is no Local Business Participation Requirement for this Contract.

MANNER IN WHICH REQUESTED ACTION ADVANCES GMX STRATEGIC GOALS:

Completion of the Dynamic Message Signs (DMS) enhances the safety and operations for the traveling public. In addition, these signs enable the Agency to improve mobility and provide timely information regarding congestion and traffic impacts.

MOTION TO APPROVE:

- Technical Evaluation Committee's (TEC) recommendation to select and enter into a Contract with the highest-ranked Proposer, BCC Engineering, LLC.

SUMMARY EXPLANATION AND BACKGROUND:

On June 13, 2025, GMX released a Request for Qualifications (RFQ), RFQ-25-08, seeking Proposals from qualified firms to provide Design Engineering Services for the Widening of Eastbound SR 836 from SR 821/HEFT to East of NW 97th Avenue and Widening of Westbound SR 836 from West of HEFT to NW 87th Avenue.

On August 7, 2025, five (5) Proposals were received in response to the RFQ from the following Proposers:

1. AtkinsRealis USA, Inc.
2. BCC Engineering, LLC
3. CHA Consulting, Inc.
4. HBC Engineering Company
5. WSP USA, Inc.

Staff performed a compliance/responsiveness review of all Proposals and found all Proposals to be responsive and compliant with the requirements of the solicitation documents.

The Technical Evaluation Committee (TEC) met on September 29, 2025, to review and finalize evaluations; and score the Proposals. The TEC forwarded a recommendation to endorse the selection to

MOTION TO APPROVE:

- Contract Award to the lowest Responsive and Responsible Bidder, P & P Contracting, Inc.

SUMMARY EXPLANATION AND BACKGROUND:

On August 21, 2025, GMX released an Invitation to Bid (ITB), ITB-26-08, seeking bids from qualified contractors to provide Systemwide Structural Maintenance Services. The scope of work consists of miscellaneous structural maintenance and repair activities on bridges and sign structures.

On September 23, 2025, four (4) Bids were received in response to the ITB from the following Bidders:

1. FDI Services, Inc.
2. Jones Benitez Corporation
3. P & P Contracting, Inc.
4. Southern Road and Bridge, LLC

Staff performed a compliance/responsiveness review of all the bids and found all to be responsive and compliant with the requirements of the solicitation documents. In addition, a Bid Analysis was performed by the General Engineering Consultant (GEC) for all Bidders. The analysis concluded that there were numerical errors within the Bid Tabulation Sheets submitted by some of the Bidders; however, after correcting these errors, the ranking order of the Bidders did not change; and P & P Contracting, Inc. is the lowest responsive Bidder, with a total bid that is 36% below the Engineer's Estimate of \$5,438,333.00.

The analysis also identified several Pay Items that were significantly below the Engineer's Estimate. In response, staff requested and received written acknowledgment from P & P Contracting, Inc., confirming that the Pay Items listed in the Bid Tabulation Sheet represent full compensation for the work associated with each independent Pay Item.

The bid rankings are shown in the following table.

GMX PROCUREMENT/CONTRACT NO.: ITB-26-08
GMX WORK PROGRAM NO.: N/A
GMX PROJECT/SERVICE TITLE : SYSTEMWIDE STRUCTURAL MAINTENANCE

Jones Benitez Corporation	\$6,248,102.00	3
Southern Road and Bridge, LLC	\$10,721,677.00	4

Staff recommends awarding the Contract to the lowest Responsive and Responsible Bidder, P & P Contracting, Inc.

The Term of the Contract shall be for four (4) years from the Notice to Proceed, with two (2) optional one (1) year renewals.

SMALL AND LOCAL BUSINESS PARTICIPATION:

There is a fifteen percent (15%) combined Small and Local Business Participation Requirement for this Contract.

MANNER IN WHICH REQUESTED ACTION ADVANCES GMX STRATEGIC GOALS:

The requested action supports GMX's strategic objectives by ensuring the continued safety, reliability, and efficiency of the structures on the GMX expressway system. Timely structural maintenance extends the service life of critical assets, minimizes long-term repair costs, and upholds compliance with state and federal standards. By proactively addressing structural needs, GMX enhances mobility, safeguards public investment in infrastructure, and promotes customer trust through the delivery of a safe and dependable transportation network.

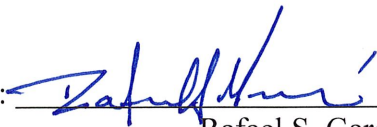

FISCAL IMPACT:

Funds for this contract are allocated on a yearly basis through the GMX Operations Budget. Future funding will be budgeted as needed in subsequent annual GMX Operations Budgets over the Term of the Contract as approved by the Board.

APPROVAL OF DISPOSAL OF FIXED ASSETS

REQUESTED ACTION:

Approval of Fiscal Year 2025:

- Disposal of Fixed Assets

SUMMARY EXPLANATION AND BACKGROUND:

As part of the year-end process, the General Engineering Consultant is required to review and recommend fixed assets and construction in progress that meet the criteria of impairment guidelines and /or disposals of assets. For the fiscal year 2025, asset disposals totaled a book value of \$282,274, comprised of \$187,376 (inclusive of indirect cost allocation and capitalized interest) for project 40054-000 SR 874/878 Interchange Ramp Improvements, that was removed from the FY 2026-2060 Work Program, as well as \$94,898 in disposals of impaired headquarter equipment. In addition, there was one contribution of asset of \$943,039 to Miami-Dade County, for roadway improvements and signalization constructed on Miami-Dade County right of way as part of project 83634-001 SR 836 New HEFT Ramp Connections.

In place of the audit committee, previously the Finance, Policy, and Planning Committee, under the predecessor organization, GMX acts as a committee of the whole, deliberating all decisions.

MANNER IN WHICH REQUESTED ACTION ADVANCES STRATEGIC GOALS:

The external audit promotes transparency and accountability of the organization's financial information and internal controls.

MEMORANDUM

To: Sandra Bridgeman
From: Kevin Brown, P.E., GEC A
Cc: Claudio Diaferia, P.E., Stephanie Gatz, Cristina Parrish, Sandra Herdocia
Date: Sep. 26, 2025
Subject: Work-in-Progress Review FY 2025

For the completion of the GMX's Fiscal Year 2025 Financial Audit, we have completed a review of the GMX projects currently in progress and have the following recommendation:

Project 40054-000 – SR 874/SR 878 Interchange Ramp Improvements

A traffic analysis was conducted which concluded that the project does not provide any added capacity or benefits, and it would negatively impact Kendall Drive due to the need to widen the Southbound SR 874 bridge. Therefore, the project was abandoned and removed in the approved GMX FY 2026-2030 Work Program. The value of the work in progress is deemed 100% impaired. Incurred expenses are as follow:

010 PD&E Mgmt.	\$ 38,487.50
<u>011 Project Development & Engineering</u>	<u>\$141,483.90</u>
Total	\$179,971.40

Note: Expenses reported includes only those tracked by GEC A and do not include any indirect cost allocation.

Re: Contributory Asset – GMX Project No. 83634

Dear Mr. Garcia,

GMX Project 83634 improves regional connectivity between SR 836 and the Homestead Extension of Florida's Turnpike, enhances access to Doral and the Dolphin Station Park-and-Ride, reduces traffic congestion, supports transit integration, and delivers cost efficiencies through coordinated construction with Florida's Turnpike Enterprise.

The following roadway improvements and signalization were constructed and permitted in Miami-Dade County right of way:

Item #	Item Description	Miami-Dade County Amount
SA#4	Signalization - Hard Cost	\$ 677,100.18
SA#4	Signalization - Mobilization	\$ 118,958.77
SA#4	Signalization - Design Fee	\$ 53,625.00
SA#4	Signalization other soft cost allocation	\$ 93,355.29
		\$ 943,039.24

The cost of the off-system improvements accounts for approximately 1.4% of the overall project cost, which is \$677,100.18 (excluding capitalized interest and indirect cost allocation) and in our professional opinion it is our recommendation that they be considered a contributory asset.
