

GMX ANNOUNCES CLOSE TO 5% INCREASE IN EXPRESSWAY USERS

GMX reminds drivers to follow traffic advisories as they travel for Thanksgiving.

Miami, Florida - The Greater Miami Expressway Agency (GMX) announced today that its exceeding daily traffic by nearly 5% for the current fiscal year. A review of data from July through October of this fiscal year, compared to the previous, revealed an increase of 4.8% in daily users of the GMX expressways.

“The current trajectory of increased daily riders confirms that we are on course to meeting the growing needs of the community. The additional usage will allow GMX to direct additional resources toward expressway renovations and other contingencies that improve the experience for our riders. At GMX we are determined to enhance the quality of services and utilizing toll revenue wisely to meet community demand,” highlighted Torey Alston, the GMX Interim Executive Director.

As many take to the roads to travel for Thanksgiving celebrations, GMX would also like to remind travelers to follow the latest travel advisories at <http://gmx-way.com/help/advisories>. The GMX team wishes all South Florida families a very Happy Thanksgiving and safest of travels.

###

The Greater Miami Expressway Agency (GMX) operates five expressways in Miami-Dade County and portions of northeast Monroe County. The roadways in Miami-Dade include SR 836/Dolphin Expressway, SR 112/Airport Expressway, SR 874/Don Shula Expressway, SR 878/Snapper Creek Expressway, and SR 924/Gratigny Parkway. GMX is funded almost entirely by toll revenues and is dedicated to making your commute safer and more efficient.
